

Calender Song Lyrics & Chords

1/23/2001

Monday Tuesday Wednesday Thursday
Friday Saturday Sunday

A E A D
E D E

The days of the week go 'round and 'round
Seven days in a week
The days of the week go 'round and 'round
'Round and 'round and 'round

E D A

E D A
D E

January February March / April May and June
July August September / October November December

A E A / A D E
E D E / E D A

The months of the year go 'round and 'round
Twelve months in a year
The months of the year go 'round and 'round
'Round and 'round and 'round
The days of the week go 'round and 'round
Seven days in a week
The days of the week go 'round and 'round
'Round and 'round and 'round

Winter Spring Summer Fall
Winter Spring Summer Fall

A E A D E D E

The seasons they go 'round and 'round
Four seasons in a year
The seasons they go round and round
'Round and 'round and 'round
The months of the year go 'round and 'round
Twelve months in a year
The months of the year go 'round and 'round
'Round and 'round and 'round
The days of the week go 'round and 'round
Seven days in a week
The days of the week go 'round and 'round
'Round and 'round and 'round

The Moon goes around and 'round the Earth
The Earth goes around the Sun
The Sun goes around the Galaxy
'Round and 'round and 'round
