

Hand Dance

10/2000

Everybody join in the hand dance x2
Clap your hands together for the hand dance x2

Point your fingers in the air, fingers in the air
Wave your hands everywhere, hands everywhere
Let your fingers do the wiggle, do the wiggle
Let them shake and jiggle, shake and jiggle
You can give a thumbs up, thumbs up
You can make a high five, high five
You can bring your thumbs together, thumbs together
And make a butterfly....

Everybody join in the hand dance x2
Clap your hands together for the hand dance x2
Bring your left and your right to the hand dance x2
Bring your fingers and your thumbs to the hand dance x2

Point your fingers in the air, fingers in the air
Wave your hands everywhere, hands everywhere
Let your fingers do the wiggle, do the wiggle
Let them shake and jiggle, shake and jiggle
You can give a thumbs up, thumbs up
You can make a high five, high five
You can bring your thumbs together, thumbs together
And make a butterfly....

(land it on your nose and blow it away...)
